Dated 12/12/2022

Subject: Clarification of objection regarding the Renewal of Labour License
Application NO. 5136000002285 of M/s Pegasus Automotive Management.

Dear Sir,

With reference of the above mention application number, it is clarified that agreement for Fleet management with **M/s Pegasus Automotive Management** has been entered and executed for the period of Five years i.e. from 01.4.2022 to 31.3.2027.

However earlier letter was given for ONE year for the purpose of renewal of labour license and the purpose of communication was to confirm that the agreement for fleet management is **also effective for upcoming year for which renewal is applied by the vendor** i.e. from 01.4.2022 to 31.3.2023.

Considering the above fact, the labour consultant of vendor (**M/s Pegasus Automotive Management**) only asked to confirm the said period only for which license was applied by the vendor.

The above said letter was issued to confirm the validity of agreement for said period only and not otherwise.

Thanking you

Yours truly
