**Subject: Clarification of objection regarding the Renewal of Labour License**  
**Application NO. 5136000002285 of M/s Pegasus Automotive Management.**

Respected Sir/Madam,

Reference is made to the above said application number made for renewal of labour license under CLRA Act, 1970. During the query by the applicant, certain points were asked by your good office which were replied for which a written explanation is submitted as below:-

Sl No	Description of objection/query	Reply by the applicant firm
01	Presence on 15 <sup>th</sup> August 2022	The volunteer staff was called for the flag hoisting ceremony in line with Govt offices and no buses were operated or any type of work was undertaken whereas it was a volunteer celebration of 15 August since Govt office also celebrated the same. The staff was given free food and attendance was marked full and compensatory off announced which is being availed by the works as per their choice.
02	Salary deduction	All salary is paid and proper breakdown is made in the salary sheet which is self-explanatory. However, if any deduction is made, the same is against the in-lieu facility provided to workers i.e. telephone, commuting facility Etc. provided by the firm.

Sincerely your

For Pegasus Automotive Management.
